

Our Mission

To provide excellent music and dance instruction in a nurturing and challenging atmosphere that encourages personal achievement to any interested student regardless of age, level of skill, background, or *financial means*.

Did you know . . .

- Hochstein now serves nearly 4,000 students each year, of which more than 700 are enrolled in our Music Therapy Department.
- Based on the exceptional quality of our programs, Hochstein has been named an institutional member of the prestigious National Association of Schools of Music, one of only 14 community schools nationwide to be so honored.
- Our students range in age from 6 months to 89 years young!
- To make our programs accessible to all, Hochstein provides tuition assistance to anyone with a need. Last year we awarded more than \$294,000 to nearly 1/4 of the students in our Music & Dance Program, and virtually all of the students in our Music Therapy Program.
- By invitation from the Canandaigua community, Hochstein opened a Finger Lakes region extension, "Hochstein at Canandaigua," in September 2007!
