Dance Stage Workshop 2010

Dear Hochstein Friends and Families,

*I'm delighted to let everyone know that our Recital Hall has been completely repaired and restored and will be back in operation as of June 7! Many thanks to students, parents, and faculty who made adjustments for recitals and other events over the past several weeks. We appreciate your patience, and look forward to hearing lots of wonderful music coming from the Recital Hall soon!*

*Other good news: our new computer center is in the works and installation should be complete by mid-July. The library collection has been carefully moved to the Gold Room on the lower level. Look for our 2010-11 catalog in early July for more information on opportunities to get acquainted with our new resource for learning and creativity!*

*This month, we will wrap up the school year with many studio and all-school recitals - but be sure to check out our summer options for fun in Camp Hochstein. We'd love to see you then, too!*

Stay in touch, visit our website [hochstein.org](http://hochstein.org) for updates, calendar listings, and other news!

## Student News

**Attention all HYSO alumni: Hochstein Alumni Orchestra - June 19**

We are forming an alumni orchestra consisting of former Hochstein students! The first concert will be a string orchestra performing as part of the Molly Brown Memorial benefit concert on Saturday, June 19th at 3pm at Canandaigua Elementary: [Facebook event](#)

Please come if you can! It would be great to see a bunch of alumni come out along with the Hochstein at Canandaigua crowd!

The Hochstein Alumni Orchestra is a reunion of great players who passed through Hochstein. Hopefully, we will put on one symphony orchestra concert per year, during college breaks. The goal of the orchestra is to perform at a professional level and generate interest, funding, and community engagement for HYSO. If you are in music school, or still active on your instrument professionally/recreationally, please contact Evan Meccarello to hear about future performance opportunities with the group: [meccariello@gmail.com](mailto:meccariello@gmail.com)

New Wegmans Scholarship available to attend Summer Workshop

**Zachary Lijewski**, a student of **Craig Snyder** at Hochstein at Canandaigua, won the Molly Brown Memorial Scholarship for viola. He will attend the [Chamber Music Workshop](#) this August.

Canandaigua Middle School student **Aaron Vit** will be going to the national competition of [National History Day](#), making him the first Canandaigua student ever to qualify for nationals. Aaron's National History Day exhibit, entitled "*How the Tank Changed War*", was successful at both the Regional competition in Rochester and the State

competition in Albany. He will represent the District in the national competition in Washington, D.C. during the week of June 13th.
