About Hochstein Concertino Strings from the Director, Marcos Kreutzer:

"Welcome to the Hochstein Concertino Strings! In our orchestra, students learn the nuts and bolts of orchestra playing while making great music and lots of friends. In our rehearsals, we learn how to follow a conductor, how to sight-read music while listening to other parts, how to play together with other people, and so much more. All the skills necessary to be successful in more advanced ensembles like Sinfonia, Philharmonia, and HYSO.

"Concertino Strings is open to all beginning string players who are already comfortable sight-reading music and have played their instrument for two years or more."
