

GIFT CERTIFICATE POLICIES

- 1) **All gift certificates are non-refundable.**
- 2) **Gift certificates can be used to pay on existing accounts only if the gift certificate is made out to the student/family member listed on the account; it is not transferrable to another household.**
- 3) **All normal policies regarding registration and withdrawal apply to registrations initiated by redemption of a gift certificate:**
 - **\$20 registration fee is due for all registrations. There is a maximum of \$40 per family.**
 - **Individual lessons are arranged through a phone appointment/advisement session with a member of the dean's staff. Please call (585) 454-4596 to schedule your phone registration appointment/advisement session. Class registrations may be submitted by completing a registration form and mailing to Hochstein at the following address: 50 N. Plymouth Avenue, Rochester, NY 14614.**
 - **Unless otherwise noted, all registrations are processed for the balance of the school term (from the time at which your start lessons/classes until the end of June). Students are responsible for the balance of tuition amounts that are not covered by the gift certificate amount.**
 - **All standard cancellation and drop policies are in force – there are no separate policies for students using a gift certificate. For a list of Hochstein's cancellation and drop policies, please call (585) 454-4596 to request a copy of these policies, or check out our website at www.hochstein.org.**
