

About Chamber Music Connection

The Chamber Music Connection Program (CMC) offers fun and challenging opportunities to learn the art of chamber music and connect with other musicians in a small group setting. Ensembles of three or more are formed throughout the year for players of compatible ages and abilities, as permitted from the pool of applicants.

The program features weekly coachings with a faculty member and an extensive schedule of opportunities to participate in workshops, masterclasses, and performances at Hochstein and at numerous community venues.

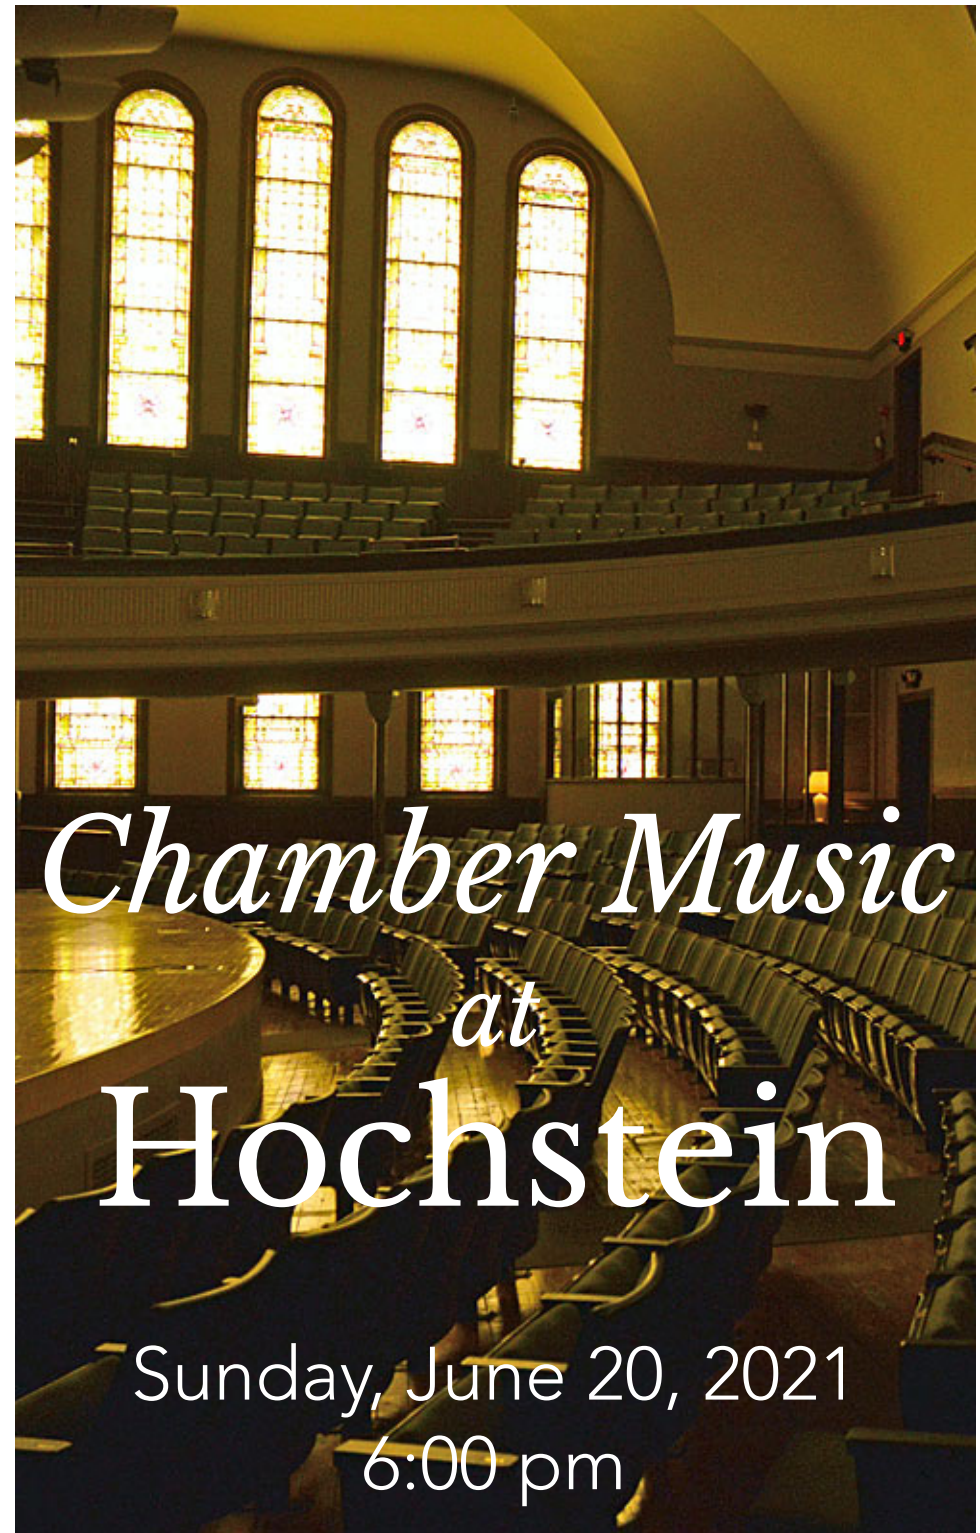

Please note: because of COVID restrictions, the 2020/2021 Chamber season was not able to offer the same opportunities that are normally part of the program. We hope to return to our full CMC program in this Fall.
