The mission of Hochstein School of Music & Dance is to provide people of all ages, backgrounds, and abilities with access to excellent music and dance education in a community that nurtures and encourages personal achievement.

Our mission, to make this instruction available to anyone interested, regardless of age, level of experience or skill, or ability to pay, makes us unique. We are highly regarded for the expertise and commitment of our faculty and for a nurturing environment and sense of community – significantly delivered through our ensembles program and the many performance opportunities we offer.

A History of Unique Contributions to Our Community

Hochstein has a long history of providing excellent, sequential music and dance instruction, based primarily in the classical Western-European tradition, and over the years we have gathered a lively, diverse population of musicians and dancers. Notably, over the past two decades we have grown our ensembles program, providing many opportunities for our students to play, sing, and dance together; our music therapy program has expanded significantly. More recently, we have recognized the need to include technology as an instructional resource and have built the Music Lab as a means of providing that resource to our students and faculty.

We value...

Excellence: The Hochstein School is committed to the highest quality of music and dance instruction, performance, and overall artistic expression, while tailoring instruction to the individual goals and needs of each student.

Diversity and Accessibility: The Hochstein community welcomes students of all ages, proficiency levels, ethnicities, socio-economic levels, and those with special needs in a barrier-free environment that provides artistic opportunities for all.

Collaboration: Hochstein plays an active role in the Rochester community by working collaboratively with our community partners, by being good neighbors, and by teaching values that foster responsible citizenship.

Accountability: Hochstein uses the resources entrusted to us in the most effective way possible to ensure the fulfillment of our mission.

Teamwork: Hochstein believes that melding the unique skills, talents, and abilities of our students, faculty, staff, Board, and other stakeholders in a respectful and cooperative environment produces art that excites and inspires.

A Nurturing Community: The Hochstein culture fosters a sense of community that is a positive, creative, engaging, safe haven in which students are inspired to achieve and grow through supportive relationships with faculty, staff, friends, and colleagues.

Comprehensiveness: The breadth and depth of Hochstein's instructional and performance opportunities help promote a sense of vitality and exploration for students, faculty, staff and the greater community.
Letter from the President

Dear Friends,

As I consider Hochstein’s 2015-2016 school year, what’s most clear to me is our deep and sustained focus on our mission, our programs, our service to the community, and the work, the fun, the learning, and the joy that happens both within these walls and everywhere that our faculty members engage with students in this region.

Highlights of the year include:

Enriching our engagement with our mission of 95 years by awarding over $300,000 in need-based scholarships to nearly 1,700 individuals in music, dance, and expressive arts programs who could not have participated otherwise.

Raising more funds than ever before in our annual appeal, major gifts program, spring gala, and from both individuals and foundations.

Welcoming nearly 4,000 students of all ages in music, dance, and expressive arts (music/dance/art therapy) programs, both onsite and at many venues in the community.

Serving our Greater Rochester community through partnerships such as:

- ROCmusic, in partnership with the Eastman School of Music, Eastman Community Music School, Rochester City School District, the City of Rochester, and the Rochester Philharmonic Orchestra, with an afterschool music program for city students;
- Providing music instruction to K-6 students at the Eugenio Maria de Hostos Charter School, which serves students primarily from the 14621, northeast section of the city;
- Making Music, Making Strides, a partnership with the inner-city YMCA Child Care Centers, giving weekly music classes at Hochstein for preschoolers;
- Summer music scholarships for Rochester City School District students;
- Working with agencies and organizations serving people with disabilities to provide music, dance, or art therapy services to over 1500 individuals across the region.

Sustaining and celebrating our students, faculty, and staff by:

- Giving more than 100 student concerts and recitals, as well as the “Live from Hochstein”, “Spotlight on Faculty”, and “Hochstein at High Falls” concert series;
- Offering professional development opportunities to 12 individual faculty/staff members and 2 departments;
- Transforming our common area and faculty/staff lounge through the Design for a Difference initiative, led by Peter Messner of Messner Flooring and supported by gifts and contributions from dozens of individuals and businesses;
- Receiving a renewal of our accreditation from the Accrediting Commission for Community and Precollegiate Arts Schools.

We have so much to celebrate: students with endless potential; a faculty who are not only talented but devoted to their students; and a dedicated, hardworking administrative staff, who keep the mission of the School foremost in their minds and hearts, and who embrace the many challenges of our work with enthusiasm. Thank you for your wonderful support!

Dr. Margaret (Peggy) Quackenbush
President & Executive Director
**Hochstein Stories**

**Leyla Davila**

"Hochstein has helped Leyla to blossom—the school is very familial. The Hochstein experience has kept our family in the light."

– Rosa Davila, Leyla’s mom

**Sofia Tareke**

“At Hochstein, there’s strong tradition, community, experienced talent. And I’m comfortable here, and I think Sofia is, too. I want my daughter to express herself, but I wouldn’t be able to bring my daughter here without the financial assistance Hochstein offers.”

– Fana Tareke, Sofia’s mom

**Jaime Prescott**

“Even if it’s later in your years, they will help you get to where you want to go, no matter what your dreams.”
Thank You to our Donors in the 2015-16 School Year

We gratefully acknowledge those listed below who give so generously of their time, talent, services, and dollars to support Hochstein. Our continued growth and success are true testaments to their thoughtful patronage.

The following list includes all those who made donations received between July 1, 2015 and June 30, 2016 through direct contributions and charitable designations.

While we are deeply appreciative of all gifts, due to space constraints, only those of $100 or more have been listed. If you have any questions regarding your gift to Hochstein or if your name was inadvertently omitted, please contact Director of Development Whitney Brice at (585) 454-4403 ext. 23.
