The Hochstein School

Premium Parking App: Make a timed or all-day parking payment

- **Download the Premium Parking app:** On iPhones, the app can be found in the App Store; on Androids, download the app in the Play Store.
- From the app, choose the location number **P8292 (90 N. Plymouth Avenue)**.
- Click *Start Parking* and choose the appropriate parking duration.
- Enter your vehicle and payment information and complete the transaction.
- You may add parking time in the app as needed.
- *Note: You may be asked to input a provided verification code sent to your smartphone.*

If you regularly park at this lot, please note that the app provides the best user experience. You can save your vehicle and payment info to your account for faster transactions, and service fees may be lower in the app.

Premium Parking Website (no app required):

- Alternately, you may use the Premium Parking website – www.premiumparking.com, enter **P8292** as the location number, and follow the on-screen instructions. Instructions are also located near the attendant booth located on the north side, center of lot.
- *Please note that higher service fees may be charged on the website versus the recommended Premium Parking App.*

Any smartphone can also pay by scanning the Camera Pay QR code signs in the lot:

- Open your camera app and hold the camera so that you can see the entire QR code on your screen. You may need to get closer or further away, but you do not need to take a photo.
- A link will appear on your screen; click on it and you will be taken to the Premium Parking Camera Pay webpage. (Note that scanning the QR code will open a webpage, not the app.)
- Enter your license plate and choose your rate from the selections offered.

DO NOT PRESS THE PAYMENT KEY MORE THAN ONCE! INTERNET SERVICES CAN EXPERIENCE DISRUPTION IN COVERAGE; PLEASE WAIT FOR THE PAYMENT TO CONFIRM.

NOTES:

- This parking lot will no longer be listed on the *ParkMobile* or *Honk Mobile* apps.
